iv. The browser while testing

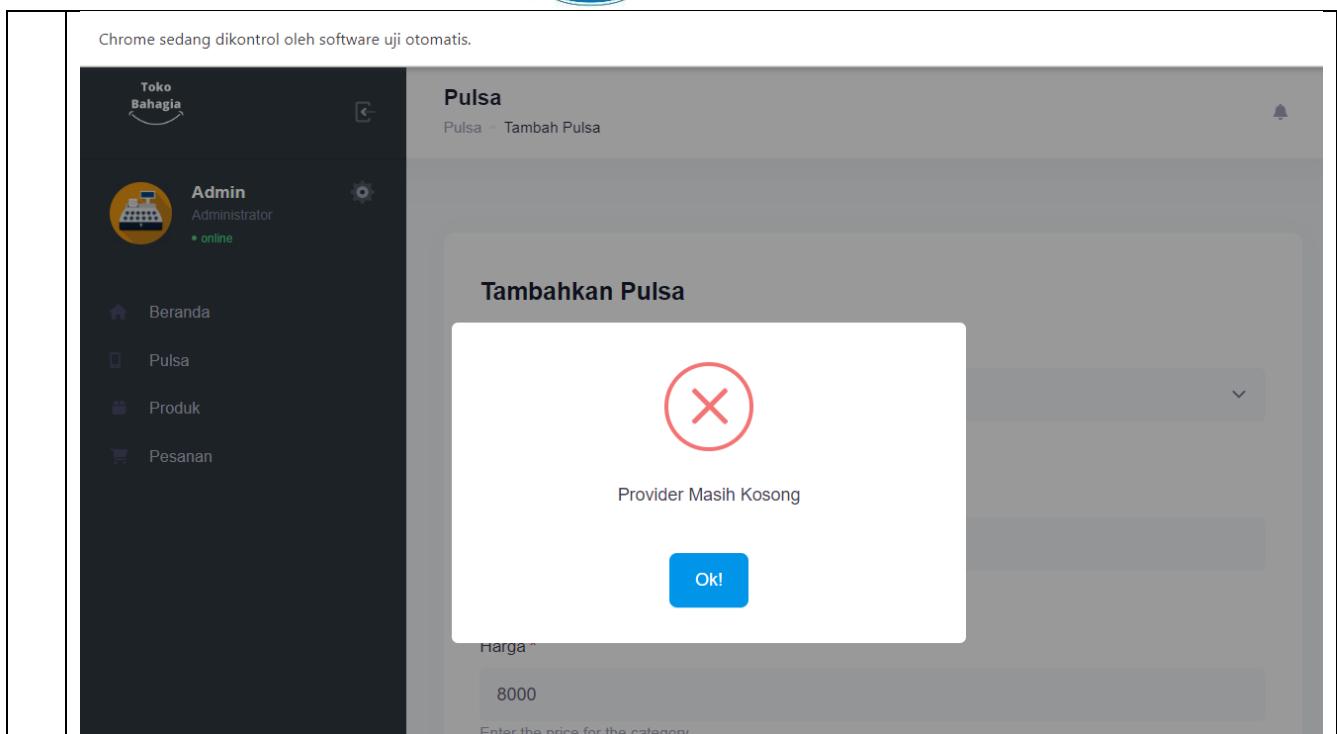

Chrome sedang dikontrol oleh software uji otomatis.

The screenshot shows a dark-themed web application interface. On the left, there's a sidebar with a logo for 'Toko Bahagia', a user profile for 'Admin' (Administrator, online), and navigation links for Beranda, Pulsa, Produk, and Pesanan. The main content area has a title 'Pulsa' and a sub-section 'Tambah Pulsa'. A modal window is open in the center, titled 'Tambahkan Pulsa'. Inside the modal, there's a large red 'X' icon and the text 'Provider Masih Kosong' (Provider is still empty). At the bottom of the modal is a blue 'Ok!' button. Below the modal, the word 'Harga' is followed by the number '14000'. The overall theme is a clean, modern UI with a focus on user interaction through modals and clear error messages.

The screenshot shows a dark-themed web application interface. On the left, there's a sidebar with a user profile for 'Admin' (Administrator) and links for 'Beranda', 'Pulsa', 'Produk', and 'Pesanan'. The main area is titled 'Pulsa' and has a sub-link 'Tambah Pulsa'. A central modal window is open with the title 'Tambahkan Pulsa'. Inside the modal, there's a large red 'X' icon, the error message 'Isikan Dengan Angka' (Fill with numbers), and a blue 'Ok!' button. Below the modal, there's a field labeled 'Harga' with the value '7000' and a placeholder 'Enter the price for the category.'

The screenshot shows a dark-themed web application interface. On the left, there's a sidebar with a user icon labeled 'Admin' and 'Administrator online'. The main area is titled 'Pulsa' and 'Tambah Pulsa'. A modal window is open with a large red 'X' icon and the text 'Provider Masih Kosong'. Below the modal, there's a text input field with the value '10000' and a placeholder 'Enter the price for the category'. At the bottom right of the modal is a blue 'Ok!' button.

The screenshot shows a dark-themed admin interface for 'Toko Bahagia'. On the left sidebar, under 'Admin' (Administrator), there are links for Beranda, Pulsa, Produk, and Pesanan. The main content area is titled 'Pulsa' and 'Tambah Pulsa'. A modal dialog box is centered, displaying a large red 'X' icon and the text 'Provider Masih Kosong'. Below the dialog, a text input field has the placeholder 'fjbjfe' and a tooltip 'Enter the price for the category.' At the bottom right of the dialog is a blue 'Ok!' button.

iv. The browser while testing

The browser window shows a dark-themed application interface. On the left, there's a sidebar with a user icon labeled 'Admin' and 'Administrator' status, along with links for 'Beranda', 'Pulsa', 'Produk', and 'Pesanan'. The main content area is titled 'Products' and shows a sub-section 'Tambah Produk'. A modal dialog box is open, containing a large red 'X' icon and the text 'Kolom jumlah harus berupa angka.' (The quantity column must be a number). Below the modal, another message says 'Kuantitas Produk Tidak boleh 0.' (Product quantity cannot be 0). At the bottom right of the screen, there are buttons for 'Ok!' and 'Save Changes'.

iv. The browser while testing

A screenshot of a web browser window titled "Toko Bahagia: Products". The URL in the address bar is "localhost/test/testing_pkpl/public/products/create". The page displays a sidebar on the left with a user profile for "Admin" (Administrator) and links for "Beranda", "Pulsa", "Produk", and "Pesanan". The main content area is titled "Products" and shows a "Tambah Produk" (Add Product) form. In the "Harga" (Price) input field, the value "Jumer" is entered, which is highlighted in red with a validation error message: "Kolom harga harus berupa angka." (The price column must be a number). A modal dialog box is centered on the screen with a red "X" icon and the same validation message. At the bottom right of the modal is a blue "Ok" button. Below the modal, there is a note: "Kurangitas Produk. Klik pada tombol U...". At the very bottom of the page, there is a navigation bar with icons for back, forward, search, and other browser functions, along with the date and time "02/06/2023 19:46".

iv. The browser while testing

A screenshot of a web browser window titled "Toko Bahagia: Products". The URL in the address bar is "localhost/test/testing_pkpl/public/products/create". The page displays a sidebar on the left with a user profile for "Admin" (Administrator) and links for "Beranda", "Pulsa", "Produk", and "Pesanan". The main content area is titled "Products" and shows a "Tambah Produk" (Add Product) form. In the "Harga" (Price) input field, the value "Jumer" is entered, which is highlighted in red with a validation error message: "Kolom harga harus berupa angka." (The price column must be a number). A modal dialog box is centered on the screen with a red "X" icon and the same validation message. At the bottom right of the modal is a blue "Ok" button. Below the modal, there is a note: "Kurangitas Produk. Klik pada tombol U...". At the very bottom of the screen, the Windows taskbar is visible with various icons and system status indicators.

A screenshot of a web browser window titled "Toko Bahagia: Products". The URL in the address bar is "localhost/test/testing_pkpl/public/products/create". The page displays a sidebar on the left with a user profile for "Admin" (Administrator) and links for "Beranda", "Pulsa", "Produk", and "Pesanan". The main content area is titled "Products" and shows a "Tambah Produk" (Add Product) form. In the "Harga" (Price) input field, the value "Jumer" is entered, which is highlighted in red with a validation error message: "Kolom harga harus berupa angka." (The price column must be a number). A modal dialog box is centered on the screen with a red "X" icon and the same validation message. At the bottom right of the modal is a blue "Ok" button. Below the modal, there is a note: "Kurangitas Produk. Klik pada tombol U...". At the very bottom of the screen, the Windows taskbar is visible with various icons and system status indicators.

The menu bar has "File", "Edit", "Run", "Test", "Help". The main area has tabs for "Test Cases", "Keywords", "Settings", "Variables", and "Source". Below the tabs are buttons for "Problems", "Javadoc", "Declaration", "Console", "Terminal", "Error Log", and "Properties". A message box displays: "1 critical test, 0 passed, 1 failed" and "1 test total, 0 passed, 1 failed". To the right, a tree view lists "Test Suite 51" through "Test Suite 64". At the bottom, there's a status bar with "50%" and other icons.
